✔ Steps After Retotaling Payment (Class 12):

1. Submit Retotaling Form:

- **Along with the payment, make sure you've correctly submitted the retotaling request form to your school or online (if available).**
- **Verify the subjects you've applied for retotaling.**

2. Wait for Result:

- **NEB takes some time to check the marks again (only totaling – they don't re-check answers, only ensure the marks were added correctly).**
- **The retotaling process usually takes a few weeks.**

3. Publication of Retotaling Result:

- **NEB publishes the retotaling results online or through the school/college.**
- **If any marks have been updated, it will be reflected in the retotaling result notice.**

4. Get Updated Marksheet (If Changed):

- **If your marks have increased or changed:**
 - **You will be able to collect an updated marksheet from your school or NEB office.**
 - **Your grades will also be updated in NEB records.**

5. No Change?

- **If there is no change, your original marks will remain valid.**
- **No refund is given for retotaling fees.**

i Notes:

- **Retotaling is not rechecking – it just re-adds marks.**
- **If you believe your marks are unfair even after retotaling, your next option may be Re-checking (if NEB allows) or Re-exam (next year).**
